

Q-Pulse Tip- Q-Pulse Convert Paper Size for Reports

Did you know that you can convert the paper size for all Q-Pulse Reports from the “A4” default size to the traditional U.S. “Letter” size?

1. Go to the Q-Pulse Reporting Designer from any module.

- Go to the Edit menu and select “Paper Kind (All Reports)”

The following screen will appear, which allows you to convert all reports to the Letter (US) paper size.
